736 MEADOW BRANCH ROAD

mid-19th century

Westminster vicinity

private

736 Meadow Branch Road is a representative mid-nineteenth century farmstead. The farmhouse appears to have been built in two sections. The earliest is the western portion which may be constructed of log. The eastern addition is built into a bank with a high stone foundation on its gable end. A two-story washhouse is located on the east side of the house.
